TECHNOLOGY BUSINESS INCUBATOR (TBI)

I'D - Incubating IoT Dreams, is a Technology Business Incubator of Coimbatore Institute of Engineering and Technology (CIET) sponsored by Department of Science and Technology (DST), Government of India and was inaugurated by Shri. Harkesh Mittal, Advisor & Head, National Science and Technology entrepreneurship development board (NSTEDB).

I'D is essentially for incubating companies which deal in the area of internet of things. Main idea is to introduce and build the entrepreneurship eco system in Academia and industry and other interested bodies to promote innovation and entrepreneurship by converting and translating technology ideas in various disciplines of science and engineering into products, processes and services for commercial exploitation and for the benefit of society.
