Dear Madam,

Greetings of the day....

First of all, thanks for the mail . I am approving the credit change (from 4 to 3) for Design and analysis of algorithm.

Second, I have few suggestions for the course DAA.
1. Spelling correction to be done for Analysis(Title of the course)
2. Unit II heading may be changed to Sorting and Searching techniques..

These are all my observations and you can check with other expert member opinions also.
